LESSON ONE

ACTION TIME!

Time for some fun!
Grab your notebook
and your favorite
writing tool.

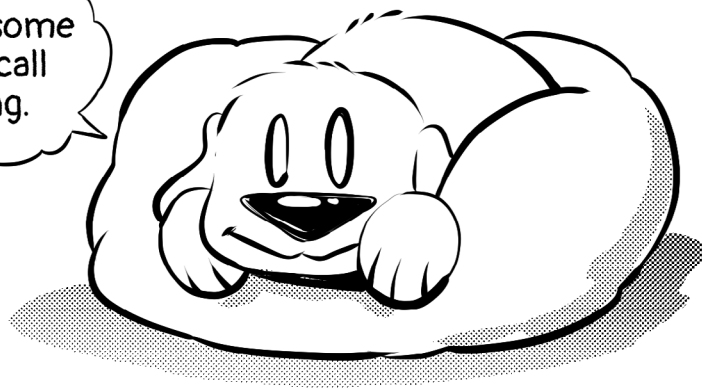

Set a timer
for five
minutes.

Spend all five minutes
brainstorming as many ideas
for characters, their goals
and obstacles as you
can come up with.

Remember, there are
no wrong answers or
ideas. Just keep your
pen moving until the
time is up.

While you do
that, I'll be over
here brainstorming.

Or what some
people call
napping.
